

# HUNTING GIANTS

## “The Giant of Overwhelming Odds”

Judges 7:1-15

By now you have discovered that we who are Christians are surrounded! There seems to always be more who are against us than who are for us. We face the reality (and we feel it, too!) that we are living in enemy territory. That doesn't give us permission to be adversarial or combative, for we'll attract more flies with honey than with vinegar (see 2 Timothy 2:24-25). But Christians are either overcome by their unbelief or they are overcomers because of their faith. How do we navigate through life when the odds are stacked against us and circumstances seem overwhelming?
