

## “What Does It Mean to Be a Disciple?”

Matthew 16:24-27

The word *disciple* is common in Christian circles, and though the meanings of words change over time, we have the *job description* straight from Jesus' mouth. Many of us willingly call ourselves disciples, but have we really delved into what Jesus meant by it? When He invited those in His circle to follow Him, He outlined what it would take. He wanted them to count the cost. And He wanted them to know the reward.
